## FOREWORD

The Government of Sikkim has accorded highest priority to the education sector by providing an outlay of almost 20% of the State's budget and records have shown that much progress has been achieved, manifesting in remarkable performance by our students who have qualified for many competitive examinations, acquired doctoral and post-doctoral degrees and are successfully employed in other parts of the country and abroad.

Jointly managed at the national and state levels, many initiatives have been undertaken to improve access to quality schooling-particularly for those who are economically and socially backward. With thriving competition from private schools, there have been clear efforts within the government sector to offer parents and children what they most need and want: quality education leading to improved life opportunities.

Education per se has numerous indicators wherein 'values' is of prime importance. Apart from academic excellence, our children have been taught to respect women and elders, maintain peace and harmony, show concern for the environment, maintain cleanliness, be of help to the society, organize yoga and self defense (for girls) program at various schools along with the training of School Managing Committees and programs of community mobilization.

Governmental interventions have been successful in acquiring accreditation for six Sikkim Government Colleges by the National Assessment and Accreditation Council (NAAC) which has been a major achievement for the Directorate of Higher Education.

The project Samagra Shiksha has brought back most of the out of school children back into the school system while incentives like the mid day meal scheme free uniforms, text books, rain-coat, shoes and socks distribution have helped retain students in the school system. This scheme has added infrastructural support to accommodate a larger number of students in schools. It also has components relating to education of differently-abled children.

Taking all the above approaches in pursuance to the education policy, various steps have also been taken by the government in the year 2022-23 to especially facilitate the teaching learning process. The Education Department on its part has taken up the policies of the government for implementation in the year 2022-23. As such this report is a compilation of activities pertaining to various sections of the department.

## **Samagra Shiksha**

Samagra Shiksha is an overarching programme for the school education sector extending from pre-school to class 12 and has been, therefore, prepared with the broader goal of improving school effectiveness measured in terms of equal opportunities for schooling and equitable learning outcomes. It subsumes the three erstwhile Schemes of Sarva Shiksha Abhiyan (SSA), Rashtriya Madhyamik Shiksha Abhiyan (RMSA) and Teacher Education (TE).

### **Goals: -**

1. By 2030, ensure that all boys and girls complete free, equitable and quality primary and secondary education leading to relevant and effective learning outcomes.
2. By 2030, eliminate gender disparities in education and ensure equal access to all levels of Education and vocational training for the vulnerable, including persons with disabilities, indigenous peoples and children in vulnerable situations.

Main Outcomes of the Scheme are envisaged as Universal Access, Equity and Quality, Vocationalisation of Education and strengthening of Teacher Education Institutions (TEIs).

### **a. Free Textbook**

Provision of Free Textbook to the students of Elementary Stage is RtE entitlement. The provision is provided to Textbook Section. The provision is as details below: -

Year	Textbook provision (Rs in Lakh)
2022	142.49

### **b. Free Uniform**

Under the RtE entitlement, the students studying at Elementary Stage are provided with two sets of uniform to all girls, ST boys, SC boys and BPL boys. The provision has been provided to Textbook Section as per the following: -

Year	Uniform provision (Rs in Lakh)
2022	244.33

### **c. Kasturba Gandhi Balika Vidyalaya Scheme (KGBV): -**

KGBV is residential girls' school with class VI as the entry class. Admission is given only to girls who have dropped from school in class V. Preference, however, is given to girls belonging to SC, ST, socially backward class and minority community. Samagra Shiksha has also upgraded KGBV to Sr Sec Stage in 2022.

#### **d.Inclusive Education**

**Background:** Inclusive Education ensures that all children, despite their differences, receive the opportunity of being a part of the same classroom as other children of their age and in-process get the opportunity of learning the curriculum to their optimum potential. In other words, inclusive education means that when children with different learning styles and needs study together, the teacher and the school administrators try to address the unique learning needs, interests, and styles of every student through the teaching process. The basic premise is that the school should meet the educational needs of all children irrespective of their disabilities or limitations.

Soreng Senior Secondary School (boys' category) & Namchi Girls Senior Secondary School (girls category) were selected for National Level to perform at Delhi on 21.01.23 & 22.01.23. Namchi Girls Senior Secondary (girls' category) stood first position at National level Band Competition held in Delhi on 22.01.2023.

### **d. Ek Bharat Shrestha Bharat**

The programme focusses to enhance interaction between people of diverse culture living in different States/UTs in India with the objective of greater mutual understanding amongst them. Each year, each State/UT is paired with another State/UT for reciprocal interaction between the people. It is envisaged through this exchange, that the knowledge of language, culture, tradition and practices of different States/UTs will lead to an enhanced understanding and bonding between one another, thereby strengthening the unity and integrity of India. This is the third time that Sikkim and National Capital Territory Delhi have been successfully paired with each other. EBSB club in all 766 govt. schools of the state have been formed.

Online interactive session between the students of the paired state Sikkim and Delhi undertaken. Students and Teachers Exchange programme of the paired state under the EBSB program undertaken. State and District level competition/activity for all levels of schools held on 30/03/2023.

## **DIET**

The DIETs were envisioned in the National Policy of Education, 1986, and were created by the Government of India, Ministry of Human Resource Development in the early 1990s to strengthen elementary education and support the decentralization of education to the district level, under the Centrally Sponsored Scheme on Teacher Education, and following the Guidelines suggested in the 'Pink Book' (Government of India, 1989).

The State of Sikkim has three District Institute of Education & Training (DIETs) in three districts i.e. Gangtok, Namchi & Gyalshing districts. The district of Mangan and Pakyong is being catered by DIET, Gangtok and that of Soreng by DIET, Gyalshing, with regard to all programmes and activities of DIETs such as In-service Teacher Education, On-site Support to Schools, Building linkages with BRCs & CRCs and Orientation of BRCCs/CRCCs, Research Studies, School Internship Programmes and adoption of Schools. The programs and activities are designed aligning with the norms and standards suggested by Samagra Shiksha- the integrated program. The programs and activities 2022-23 under Samagra Shiksha of DIETs are as per the re-envisioned roles of DIETS as a vibrant institute in the NEP 2020 and NIPUN BHARAT guidelines.

The **vision** of DIETs in Sikkim is to build a generation of excellent, dedicated, trained and skilled teachers imbued with a spirit of service and higher values and achieving the goals as envisaged by NCFTE 2009 and New Education Policy 2020.

The **mission** of all the 3 DIETs are:

1. To prepare a humane and a reflective prospective teacher who will love and care the students.
2. To design and make in-service training non-prescriptive and engaging for the teacher participants.
3. To undertake educational research for improving the quality in school education.
4. To provide academic support to BRC/CRC and School on improving the overall learning outcome of the students.
5. To provide academic support from the grass -root level for the success of various strategies and Programmes being undertaken in all areas of education in the light of NEP 2020.

## **Scope of functions and Responsibilities of the DIETs**

Contribute to development of quality learning materials for Primary education.

1. Conduct in -service training Programmes in each Districts.
2. To equip the prospective teachers to become engaged citizens who are physically healthy, emotionally intelligent, personally effective, socially responsible, aesthetically sensitive who have character, commitment and courage with global consciousness and local connectedness.
3. To guide our trainees in the attainment of professional competency to cope with the rapid advancement in the field of Education and Technology.
4. To give special emphasis on the four pillars -Learning to learn, Learning to do, Learning to be and Learning to become.

5. To facilitate the pre - service and in – in-service and teacher education in the field of Education and Research.
6. Continuous Professional Development of teacher educators with qualitative enriching faculty Development Programmes.

The academic structure of DIETs as envisaged by Samgara Shiksha guidelines of implementation for all the 3 DIETs are as under:-

1. Pre-service Teacher Education
2. Teacher Professional development /In-service Teacher Education
3. Educational technology and Material Development
4. Field Interventions
5. Educational Research
6. District resource Unit
7. Work Experience
8. Co-Scholastic

### **PROGRAMMES AND ACTIVITIES UNDERTAKEN DURING 2022-2023**

The year 2020 has been a year of new learning opportunities amidst challenges and difficulties. The COVID -19 pandemic situations necessitated the up-gradation and use of ICT in educational field in an unprecedented manner. Almost all the programmes and activities related to both Pre-service and In-service Teacher Education were planned & conducted in alignment with NEP 2020 suggestions and NIPUN BHARAT guidelines. The classes, tests and examinations for Pre-service Student Teachers were conducted through offline mode. The Institutes organized many orientation, training cum workshops on different topics relevant to teacher education. In addition to these, the Institutes also made arrangements for orientation in relevant areas through online mode in collaboration with NGOs to enrich their learning. Further, the faculties of all the 3 DIETs have undergone NISTHA training through DIKSHA portal. The faculties were involved in STET restructuring, framing of SCF, Vidya Pravesh Workshops etc. All the 3 DIETs were involved orientating the guidelines of Shikshak Parv on the theme “Innovative Pedagogy” to BRCs/CRCs. Some of the **Learning Enrichment programmes** department wise is as under:

#### **1. Pre-Service Teacher Education**

## **PM POSHAN/MID DAY MEAL**

National Programme for Nutritional support to Primary Education PM POSHAN erstwhile Mid-Day Meal Scheme was launched as a Centrally Sponsored Scheme on 15<sup>th</sup> August, 1995 in a phased manner all over India. Its objective was to boost “Universalization of Elementary Education by increasing enrolment, retention, attendance and simultaneously impacting on nutrition of students in primary classes”. The programme originally covered children of primary level (classes I to V) in government, local body and government aided schools. In October 2002, the programme was extended to cover children studying in Education Guarantee Scheme (EGS) & AIE centers and from the same year the hot cooked meal was started in the State of Sikkim. Prior to the year 2001-02 the food grain (Rice) provided by the Government of India @3kgs per child per month for 10 academic months in a year, was distributed as dry rations to the children. However, the Supreme Court in its order dated: 28.11.2001 in WP(C) NO. 196 of 2001- People’s Union for Civil Liberties versus Union of India and other, directed all the state governments to provide cooked Hot Meal containing 300 calories and 8 to 10 grams of protein per serving.

Cooked hot Meal served to school children of Sikkim up-to Primary level (class I-V) from 2002 and from class (VI-VIII) are being provided from the academic session 2008.

There are six districts including two new Soreng & Pakyong district approved by the government during 2021-22 headed by the Chief Education Officers at district level, Jt. Director at Sub-Division level and Dy. Director/Asst. Director at Block Administrative Centres who are implementing agencies of PM Poshan at school level. Fortified rice from 2021-22 onwards were distributed instead of common rice to upgrade the health of children.

With the introduction of Public Funding Management System [PFMS] by the central government in all the Central Sponsored Schemes from 2021-22. PM POSHAN erstwhile Mid-Day Meal Cell, Education Deptt has successfully onboard PFMS by opening of State Nodal Agency [SNA] A/C at state level, Implementing Agencies [IA] A/C at district level and vendor A/C of all the schools covered under PM Poshan to cater the scheme effectively.

### **OBJECTIVES:-**

- ❖ The main aims and goal of the PM POSHAN/MDM Scheme in schools is to stop drop out from schools.
- ❖ Provide hot cooked meal in the schools so that the students can pay attention to their education.
- ❖ Develop healthy body by providing nutritious food.
- ❖ PM POSHAN/MDM shall encourage gender equalities and eliminates social barriers.

## **DIRECTORATE OF TECHNICAL EDUCATION**

The DTE is entrusted with an important role in preparing individuals for careers in a variety of fields that require skilled workers with practical experience and knowledge. As technology and industries continue to evolve, technical education programs will continue to play an important role in preparing individuals for the jobs of the future.

One of the benefits of technical education is that it can lead to high-paying jobs in fields that are in high demand. The jobs in the healthcare industry, such as nursing or medical technology, are expected to grow significantly in the coming years, and individuals with technical training in these areas are likely to be in high demand.

As the world becomes increasingly interconnected, the demand for individuals with technical skills will continue to grow. Hence, in order to prepare our students the following three premier institutions were established by the State Government through various projects :-

1. Advanced Technical Training Centre (ATTC), Bardang
2. Centre for Computers and Communication Technology (CCCT), Chisopani.
3. Sikkim Institute of Science and Technology (SIST), Chisopani.
